

**Agenda – Drylining Working Group**  
**28 September 2.00- 4.30 pm**  
**Knauf 20 Baltic Street, London EC1Y 0UL**

Members are reminded they agree to conform to FIS policy to comply with the Competition Act 1998. The meeting is convened and held in accordance with the Memorandum and Articles of Association of FIS and the regulations made by the Association. The Association has in place procedures to ensure compliance with all relevant competition laws and the meeting is subject to those procedures.

The objectives of the Drylining Working Group are:

1. Develop technical standards as required
2. Promote best practice in the market
3. Educate and inform clients and specifiers about (working group) work
4. Promote the products and skills of FIS members in this field
5. Monitor and support Risk on behalf of the community
6. Shape the market so that the correct adherence to standards is recognised and adhered to by all to the benefit of clients
